As a member of the association I will endeavour

- To use my knowledge and skills to promote and protect health of my patients.
- To place medical care above consideration of race, gender, creed, social standing or financial gain.
- To respect the rights of my patients.
- To respect the rights of informed consent for surgical procedures.
- To recognise the need to consult with or refer to my colleagues when necessary.
- To maintain and improve my professional skills and submit to peer review.
- To help my colleagues whenever possible and protect their rights.
- To practice cost effective medicine while maintaining the highest standards of patient care.
- To promote integrity and insight within the medical profession.
- To promote the aims of The Association of Otolaryngologists of India West Bengal.
